Dear Don,

I can't tell you how much we appreciate your support for our recent Down East Society Harvest dance. Many people hearing the PSA and some came from areas.

It is because of people like you and the word "that our society is able to award \$500.00 scholarships and two \$1,000 scholarships each year to worthy members who are going on to college.

Again, many, many thanks.

Happy Holidays

Dear Mr. Shields:

Thank you very much for your donation to the Thomaston Recreation Department & Association. Our banquet on Sunday, March 16th was a huge success. The Rockland Elks Club donated their event hall and made a spaghetti dinner for us all. Volunteers brought numerous deserts and helped serve and clean-up. During the affair, certificates and pins were awarded to our sports participants and volunteers. "Slugger" (the Portland Sea Dog's mascot) made a special guest appearance which thrilled the crowd. Drawings were held throughout the event and the volunteers and guests that received donations were overwhelmed and surprised to receive such awesome gifts.

It's generous folks like you that help keep our spirits high. Your donation is a wonderful gift to our children, our volunteers, and our community. With all that is happening in the world today, you have taken the time to display the thoughtfulness that is necessary for a brighter future for our children. Your kindness is very much appreciated.

Thank you for caring.
Sincerely,

Wayne Judkins

On behalf of our Board of Directors, staff, and the kids we serve, thank you heartily for participating in this year's "Bowl For Kids' Sake". Dear Sirs,

I am writing as I am a big fan of Major league baseball, and enjoy following the teams throughou in the Eighth grade, and my friends and I love to watch baseball. I understand that you are a sponsor of league team, and have pocket schedules available. I would appreeciate it greatly if you could please send pocket schedules, so that my friends and I can follow the team, and know whom they will be playing from day to day. Thank you very time. Dear Marilyn,

Please accept this plaque as a thank you for your help in promoting Laura Darrell's "A Very Special Christmas" CD this past holiday season. The Maine Children's Cancer Program is a special place, and it is because of the generosity of our community and organizations like yours that we are able to ensure that it remains so. With your support, this Christmas CD raised more than \$22,000 for the children and families of our program. We will be continuing this program in the coming holiday season, and are hoping for your support once again.

We are honored to be associated with such special people, and with your continued support, I am sure that one day we will find a cure for childhood cancer.

Sincerely,

James Bouchard
Development Coordinator

Maine Children's Cancer Program

Dear Mr. Sheilds,

I would like to thank you for all of your help in advertising for our fishing derby. I am proud to say that we made over \$2,700, and I don't think we could have done it without your help. I had a lot of fun going on the radio, and I don't think that is something you can get in a classroom. I hope that Clear Channel Radio and Zenith Alternative School can work together on a later project. Thank you.

Dear Friend of Education:

Your willingness to participate in the job shadowing experience set up for our eighth graders is greatly appreciated. The students who took part were enthusiastic about the real-life awareness of what it's like to actually work in the career of their choice. It was the perfect conclusion to their year-long career awareness activities.

Your participation enhanced the school vocational education curriculum, and you deserve to be commended for planning and providing a learning experience that students would not otherwise have had. This type of cooperation between businesses and schools is vital in today's world. We, like schools everywhere are looking to the business community for mentoring and vocational experiences.

In an effort to provide opportunities for students to raise their aspirations, the community is called on to support educational activities in a variety of ways.

Thank you again for your generosity and interest in the job shadowing experience. I am happy to add this letter to one written by the student whose education was enhanced by your patience and willingness to give of yourself.

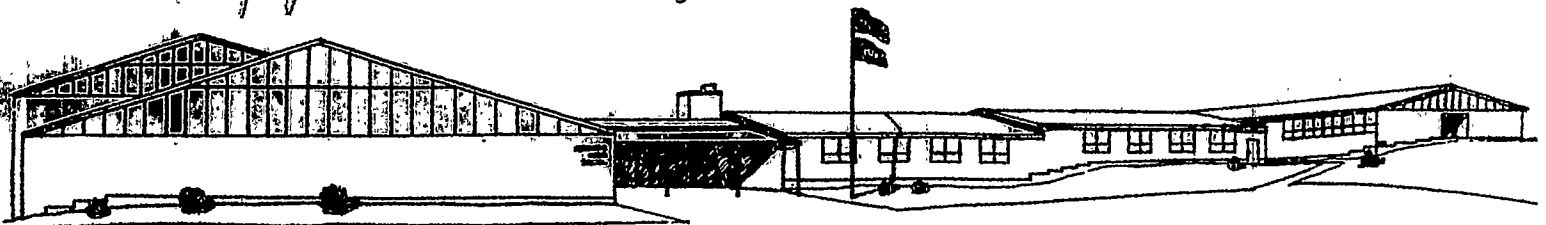

With gratitude,

Ann Morton
